REHOMING ABANDONED PETS IN THE HUNTER REGION

Hunter Animal Rescue is a not-for-profit organisation run by volunteers who dedicate their time to finding new homes for abandoned pets facing euthanasia. All animals are kept in foster carer homes where they experience a good quality of life.

The carers also get a good idea of a dog or cat's personality and suitability for different homes. We have a wide range of animals available for adoption... here are just a few!

		All animals come Micro-chipped, Lifetime registered, Vaccinated, treated for fleas and worms and de-sexed
